

newcastle school of theology for ministry

We are now receiving applications from Anglicans who want to join us in 2010 to study on the Bishop's Certificate in Theology for Ministry.

You can choose to study either in one year or over three years, resourced by three learning weekends and three learning days, and supported by a local group of participants.

Full details about the programme are now available on our website, or you can call us on 49263733 to receive a free prospectus.
